affinity groups**

## **Rural, Northern & Aboriginal Health**

The Newfoundland and Labrador Centre for Applied Health Research invites you to visit us on January 26, 2012, 12noon to 1:30pm, for the next meeting of our Research Affinity Group on Rural, Northern and Aboriginal Health. This affinity group meets monthly to discuss research, funding opportunities, and to collaborate on research projects. The group also provides a forum where students, researchers, policy makers and members of the general public can meet to discuss issues related to rural, northern and aboriginal health.

Attendance is free and all are welcome to join the meeting.

If you would like to join via teleconference, or would like to learn more about our affinity groups, please contact Tyrone White: [tkwhite@mun.ca](mailto:tkwhite@mun.ca) or call 709-777-7973.
